

Dear [Insert Name],

Learn how to become a better leader by focusing on your well-being.

Hear from Deepak Chopra, M.D. as he creates a roadmap for “global health,” based on the latest findings. He will address questions as well as practical ways to experience higher consciousness, transformation and healing.

Join the [Global Diplomacy and Public Policy](#) and [Social Engagement](#) networks for this enlightening global conference call.

Dial In to Discover

- How our understanding of consciousness also enhances our capacity for total well-being (physical, emotional, spiritual, social, community, financial and ecological).
- How we have the ability to influence the future evolution of the cosmos.
- How our understanding of consciousness as pure potentiality enhances our capacity for intuition, creativity, conscious choice-making, healing and the awakening of dormant potentials, such as non-local communication and non-local sensory experience.
